#### DEPARTMENT OF COMMERCE

##### Submission for OMB Review; Comment Request

The Department of Commerce (DoC) has submitted to the Office of

Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

**Agency:** Patent and Trademark Office (PTO).

**Title:** Invention Promoters/Promotion Firms Complaints.

**Agency Form Number:** PTO/SB/XX.

**OMB Approval Number:** 0651-XXXX.

**Type of Request:** New collection.

**Burden Hours:** 50 hours per year.

**Number of Respondents:** 200

responses per year. The PTO expects to receive 100 complaints concerning invention promoters/promotion firms and 100 responses to such complaints.

**Average Hours Per Response:** The PTO estimates that it takes an average of 15 minutes (.25 hours) to gather the information, complete the complaint, and submit it to the PTO. The PTO estimates that it will take an invention promoter an average of 15 minutes (.25 hours) to gather the information, complete the response, and submit it to the PTO.

**Needs and Uses:** The Inventors' Rights Act of 1999 requires the PTO to publish complaints filed by independent inventors against invention promoters/promotion firms and publish any replies to such complaints. The Inventors' Rights Act requires the PTO to publish these complaints and replies, but it does not require the PTO to enforce the Act, to investigate the complaints, or to participate in any legal proceedings against the invention promoters/promotion firms. The PTO has developed a form that complainants may choose to use to submit their complaints. Use of this form, PTO/SB/XX Complaint Regarding Invention Promoter, is not mandatory; however, its use will ensure that all of the necessary information is provided, which in turn enables the PTO to make the complaint publicly available. At this time, there is no associated form for responses to the complaints. The public uses the complaint form to submit a complaint against an invention promoter/promotion firm to the PTO. In addition, this information collection enables the invention promoters/promotion firms to respond to such complaints. The PTO uses the complaint form to ensure that all of the necessary information is provided so that the complaints can be made publicly available. In addition, the PTO forwards the complaints to the invention promoter/promotion firm and makes sure that any responses to these complaints are also made publicly available.
